The employer and the union commit to enter into discussions prior to any application being made to vary this Agreement to accommodate a new facility. Provided always that such a new facility is within the State of New South Wales.

8. Single Bargaining Unit

For the purpose of negotiating an Enterprise Agreement a single bargaining unit was established consisting of management and employee representatives of the various divisions and sections of the business. The employer recognises the role played by the union in the process and encourages employees to do likewise.

9. No Extra Claims

All parties agree that during the life of the current Enterprise Agreement, no party will raise any further claims relating to the terms and conditions of this Agreement. Changes to the terms and conditions can be made provided that they are mutually agreed to by both parties.

10. Relationship to Awards

This Agreement will prevail to the extent of any inconsistency over the following parent awards being the Drug Factories (State) Award and the Warehouse Employees Drug (State) Award.

11. Terms of Engagement

11.1 Employment Types

Employment types can be full time, part time, casual or temporary (seasonal). Except for casual and temporary employees, the letter of employment of service shall be on a monthly basis. On engagement, the employer and the employee concerned shall commit to writing the nature of the employment type and any special conditions which may attach to the letter of offer (eg apprenticeship). Each employee as part of the engagement and induction process, regardless of their employment type, shall be given access to, a current copy of the employer's Human Resources Policy and Procedures Manual, and the Enterprise Agreement.

11.2 Definitions

Each of the employment types referred to in 11.1 is defined, for the purposes of this Agreement as follows:

11.2.1 A full time employee is an employee engaged to work a minimum of 152 hours per month.

11.2.2 A part time employee is engaged to work less hours than a full time employee and is entitled to the benefits of this Agreement on a pro-rata basis using their average monthly hours as a fraction of 164.66 hours to determine the benefit level. A part time employee should be engaged for a minimum of 9.5 hours per week.

11.2.3 A casual employee is an employee engaged and paid by the hour who is not entitled to the benefits of monthly employment but who is paid a rate of pay higher than a monthly employee to compensate for, among other things, the uncertainty of tenure and paid leave. Each engagement of a casual stands alone and there is no obligation on either party to maintain an on-going relationship.

11.2.4 A temporary (seasonal) employee is one who is engaged on a regular basis, such as full time, but for a specified period of time which may be subject to change/extension by agreement between the parties.

11.3 Probation

11.3.1. There shall be an initial fixed term probationary period of employment not exceeding three months for all new employees, during which time the employee will be engaged on a probationary basis. This probationary period will facilitate the assessment by the employer of the skills and capacity of the employee, and allow the employer and the employee to determine if they wish to continue with the employment relationship.

11.3.2 At the commencement of employment the employer shall inform new employees of the duration of the probationary period.

11.3.3 Should an employee not be able to demonstrate the skill level or ability to exercise the degree of responsibility required for the position, the employee may be dismissed with one day's notice before the end of the probationary period.

11.3.4 At any time during the probationary period an employee may terminate the employment relationship by giving one day's notice to the employer.

11.4 Termination of Employment

11.4.1 Notice of Termination by Employer

11.4.1.1 In order to terminate the employment of a monthly hired employee, post probation, the employer shall give one month's notice. For practical purposes, this shall mean four calendar weeks.

11.4.1.2 Payment in lieu of the notice prescribed in 11.4.1 shall be made if the appropriate notice period is not given. Provided that employment may be terminated by part of the period of notice specified and part payment in lieu thereof.

11.4.1.3 In calculating any payment in lieu of notice, the wages an employee would have received in respect of the ordinary time he or she would have worked during the period of notice had his or her employment not been terminated shall be used.

11.4.1.4 The period of notice in this clause shall not apply in the case of dismissal for conduct that justifies instant dismissal or in the case of casual employees, apprentices, or employees engaged for a specific period of time or for a specific task or tasks.

11.4.1.5 Where the employer has given notice of termination to an employee, an employee shall be allowed up to one day's time off without loss of pay for the purpose of seeking other employment. The time off shall be taken at times that are convenient to the employee after consultation with the employer.

11.4.1.6 The employer shall, upon receipt of a request from an employee whose employment has been terminated, provide to the employee a written statement specifying the period of his or her employment and the classification of or the type of work performed by the employee.

11.4.1.7 Notwithstanding the provisions of 11.4.1 the employer shall have the right to dismiss any employee without notice for conduct that justifies summary dismissal and in such cases the wages shall be paid up to the time of dismissal only.

11.4.2 Notice of Termination by Employee

11.4.2.1 The notice of termination required to be given by an employee shall be the same as that required of the employer. If an employee fails to give notice the employer shall have the right to withhold moneys due to the employee with a maximum amount equal to the ordinary time rate of pay for the period of notice.

11.5 Termination of Employment for Casuals and Fixed Term/Seasonal Employees

11.5.1 Casual Hire

Where a casual employee is employed, the notice period required by either the employer or the employee concerned is one hour (or the end of the period agreed on engagement whichever is the longer). The employer exercises its rights to summary dismissal in a situation where that action is justified, in which case no notice is necessarily required.

11.5.2 Fixed Term/Seasonal

Where an employee has been engaged for a fixed term, there shall be no further requirement for notice to be given and the letter of employment shall cease at the agreed expiry of the term. This does not affect the employer's rights under 11.4.1.4, nor does it preclude the parties from agreeing to either terminate the letter of employment early, or extend it.

11.6 Redundancy

11.6.1 Discussions before termination of employees :-

11.6.1.1 Where the employer considers that it no longer requires the position the employee has been engaged in, and this is not due to the ordinary and customary turnover of the business and that decision may lead to termination of employment, the employer shall hold discussions with the employee(s) directly affected.

11.6.1.2 The discussions shall take place as soon as is practicable after the employer has become reasonably aware of the possible change and will advise employees of the reason(s) for the possible termination(s) of employment, measures to avoid or minimise terminations and measures to mitigate any adverse effects of any terminations on the employees concerned.

11.6.1.3 For the purpose of the discussion the employer shall, as soon as practicable, provide in writing to the employees concerned, all relevant information about the possible terminations of employment including the reasons for the possible terminations, the number and type of employees likely to be affected, the number of employees normally employed and the period over which the terminations are likely to be carried out. Provided that the employer shall not be required to disclose confidential information, the disclosure of which would be contrary to the employer's commercial interests.

11.6.1.4 The union office shall be notified at the same time as employees and included in the discussions and processes if Union members are effected.

11.6.2 Transfer to Lower Paid Duties

Where an employee is transferred to lower paid duties with their agreement for reasons set out in paragraph 11.6.1, the employee shall be entitled to the same period of notice of transfer as he or she would have been entitled to if his or her employment had been terminated, and the employer may, at its option, make payment in lieu thereof of an amount equal to the difference between the former ordinary time rate of pay and the new lower ordinary time rates for the number of weeks of notice still owing.

11.6.3 Severance pay

In addition to any period of notice prescribed for ordinary termination in this Agreement, and subject to further order of the IRC, an employee whose employment is terminated for reasons set out in 11.6 shall be entitled to the following amount of severance pay in respect of a continuous period of service:

11.6.3.1 a four weeks pay ex-gratia payment,

11.6.3.2 four weeks pay for each year of continuous service, or part thereof,

11.6.3.3 for employees with ten or more years continuous service, an additional four weeks' pay,

11.6.3.4 a 22% loading on unused annual leave payable under this Agreement, provided that it is not in addition to any obligation under sub-clause 23.4.

11.6.3.5 long service leave paid on a pro-rata basis provided this provision is in lieu of, and not in addition to, any entitlement to long service leave provided by State legislation, and

11.6.3.6 superannuation payments, in accordance with the provisions of the Pfizer Australia Superannuation Plan, and provided this is in lieu of and not in addition to any superannuation payments provided by legislation.

11.6.4 Alternative employment

The employer, in a particular redundancy case, may make application to the IRC to have the general severance pay prescription varied if the employer obtains acceptable alternative employment for an employee. Further, if an alternative equivalent position is available, for which the employee is qualified, the employee must accept that position. Should an employee refuse to accept an equivalent position for which the employee is qualified or otherwise resigns without the employer's consent prior to the expiration of the notice period then no redundancy payments will apply.

11.6.5. Time off during notice period

During the period of notice of termination given by the employer, an employee shall be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.

11.6.6 Employees exempted

Clause 11.6 shall not apply where employment is terminated as a result of conduct justifying instant dismissal; or in the case of casual employees, apprentices or employees engaged for a specific task or tasks, or term. It does not apply to employees retiring.

11.6.7 Transfer

Where the employer offers and the employee accepts a transfer to another location within the organisation, the employee shall be entitled to receive reasonable removal expenses and allowances for both the employee and his or her dependants.

11.6.8 Notice Period Obligations on Employees

The employer undertakes to give the maximum notice practicable of a redundancy to affected employees who must remain in the employ of the company until released to be eligible for payments prescribed in sub-clause 11.6.3.

11.7 Abandonment of Employment

An employee shall be deemed to have abandoned their employment in the event of their absence from work for three consecutive rostered days/shifts without prior notice and/or explanation. In such circumstances, the employee shall be entitled to payment for work undertaken until the conclusion of the last worked shift, any outstanding leave entitlements less the appropriate notice according to this Agreement and any other amounts owed to the employer, including but not limited to, cash advances on pay, the value of uniforms/property not returned etc. The payment shall be sent, on the next ordinary pay day to the employee's last known address.

11.8 Stand Down

In the event any or all employees cannot be usefully employed because of any cause for which the employer cannot reasonably be held responsible e.g. natural disaster, it is agreed the employer may stand down the employees without pay. Any public holidays which occur during the stand down period will be paid and the period of stand down will not affect continuity of service for relevant purposes of this Agreement.

11.9 Confidentiality

It is an implied term of engagement of employees that they will not at any time, either during their period of employment or subsequently, divulge, either directly or indirectly, to any person or entity, knowledge or information which may have been acquired by virtue of the employee's work at Pfizer. Such knowledge, relating to the affairs, policies, programs, and/or activities of the employer, or its associated companies, or its clients, or any supplier, and will not at any time perform any act or be party to any omission which may, or be calculated to, cause damage to the aforesaid. The employee at all times, and in all reasonable respects, will treat and refer to the employer, its associated companies and its clients and suppliers with all due propriety and in the advancement of the interests of the employer. (This does not prevent or refer to the normal undertakings of the Union representative or union members in pursuing legitimate Union business as authorised by the Greater NSW Branch.)

12. Skills and Performance

12.1 Performance of Duties

Subject to this Agreement, employees are expected to perform and will be paid for those duties for which they are employed and which are within their competence to perform safely. All employees must be fit and able to carry out the work they perform. The parties are committed to continue to develop and complete the competency standards on site.

12.2 Review of Skills, Responsibilities and Performance

The parties agree that periodic reviews as outlined in the Competency Standards documents, of the skills, responsibilities and performance of employees shall be conducted. Should an employee not agree with the outcome of a review or the employee considers there are grounds for a reappraisal then such disputes will be settled according to the Disputes Procedure detailed in Clause 35.

12.3 Introduction of Change

Pfizer will discuss with the parties concerned and notify any changes to production, processes, operations, size of workforce and alteration to hours of work.

13. Continuous Improvement

13.1 As part of an on-going process for improvement in productivity and efficiency, consultation shall continue to take place at the workplace level to provide more flexible working arrangements, improvements in the quality of working life, enhancement of skills, training and job satisfaction, and positive assistance in the change process and to encourage consultative mechanisms across the workplace for all employees.

13.2 The terms of any proposed arrangement reached between the employer and employee(s) shall replace the current provisions of this Agreement, provided that:-

13.2.1 a majority of employees affected agree;

13.2.2 such arrangement is consistent with the objectives of this Agreement; and

13.2.3 that the terms of the arrangement are committed in writing, signed by the employer and the Union and the document shall be treated as a part of the Agreement and equally enforceable.

13.3 Such workplace arrangements shall be processed as follows:-

13.3.1 all affected employees and their representatives will be provided with the current provisions that apply and the proposed alterations;

13.3.2 where an arrangement is agreed between the employer and the employee(s), such arrangement shall be committed to writing;

If the CPI movement exceeds 3% in 2002/3 the employer will cover the additional up to a maximum of 1% for 2002/3. The rates are inclusive of all considerations of the circumstances under which the work of the employees is performed save and except for other payments expressly provided for elsewhere in this Agreement or additional payments agreed to by the employer. 15. Superannuation

17. Hours of Work

17.1 Ordinary Hours

In the implementation of working hours, the significant determinant is the cost effective and safe delivery of services, however, all reasonable effort should be made to accommodate both the individual employee and the employer needs. Any dispute in relation to work patterns shall be resolved using the Disputes Settling Procedure in this Agreement. Fairness in rostering shall apply. However, all attempts to avoid roster changes, which mitigate against stability and predicability for employees shall be made.

17.2 Breaks

Actual starting and finishing times of individuals shall be determined by references to their particular work area and work loads. A minimum 10 hour break between the completion of one shift's work and commencement of another should be taken.

17.3 Time off in Lieu

By mutual agreement, an employee who works hours in excess of their ordinary hours may take, as time off in lieu, the equivalent number of hours to that of which was worked in excess.

17.4 Roster Swapping

By mutual agreement there is provision to swap rosters in line with business and individual needs for an agreed time frame.

17.5 Shift hours

Further, an employee engaged on a shift which ends at or after 2:00am and before 7:00am, shall be paid a shift loading of 30% per shift in addition to the ordinary earnings of that employee calculated on the base rate

18. Call Out

18.1 An employee recalled to work after leaving the employer's premises (whether notified before or after leaving the premises) shall be paid for a minimum of four hours work for each time the employee is so called.

18.2 Any hours worked under this clause may be treated either as "in excess" as that term is used in sub-clause 17.3, or paid as Overtime, at the election of the employee.

19. Casual Employment

19.1 Casuals will generally be employed where insufficient numbers of appropriately skilled personnel cannot be secured on a regular and on-going basis by the employer. Each engagement of a casual shall stand alone.

19.2 Casuals shall be paid per hour an additional 20% loading according to the Guide to Operational Division & Levels in Clause 14. For any work in excess of 9.5 consecutive hours (exclusive of breaks) on any one day, this loading shall increase to 50% for the first hour and 100% thereafter.

20. Part-time Hours

A part time employee is engaged to work less hours per week than a full time employee and is entitled to the benefits of this Agreement on a pro-rata basis using their average weekly hours as a fraction of the full time hours (i.e. 38) to determine the benefit level. A part time employee may work up to 38 ordinary hours in any one week, provided hours in excess of their usual hours (ie. the hours they were engaged to perform) are taken into account for the purposes of annual leave accruals.

21. Overtime

21.1 Overtime shall mean work in excess of the employee's normal working hours per week, worked at the discretion of the employer, which, from its character or from special circumstances cannot be performed in accordance with arrangements under sub-clause 17.3.

21.2 Payment for overtime worked needs to have the authority of the employer.

21.3 Approved paid overtime shall be paid at the following rates:

21.3.1 For all overtime worked in excess of the ordinary hours per week at the rate of time and a half for the first hour and double time thereafter.

21.3.2 Overtime rates are not paid for meal times.

21.3.3 An employee who works overtime which is not continuous (ie. an unpaid break of more than one hour) with ordinary working hours shall be paid a minimum payment of three hours' pay at the rate prescribed in 21.3.1

21.3.4 A paid meal allowance of \$8.00 shall also apply for Saturday or Sunday overtime only. This will be paid in cash the following week.

21.4 An employee can be directed to perform reasonable overtime. Provided further that the employer and an employee may vary the terms of the clause and any variation is committed to writing and signed by both parties.

21.5 Where an employee, after having worked overtime, finishes work at a time when reasonable means of transport are not available, Pfizer shall provide the employee with transport or pay the cost of such transport to a location where regular transport is available, or if no transport is available, to the employee's home.

22. Meal and Rest Breaks

22.1 Employees working any of the duties listed in Clause 17 shall be entitled to a meal break each work day of not less than 30 minutes and which shall not be paid. No employee shall be required to work more than five hours without a break for a meal. Other rest breaks should be taken at times both convenient to colleagues and operational needs, shall be for a duration of 10 minutes and are not fixed. The employer expects common sense to prevail and reserves the right to implement set times if evidence of abuse exists.

22.2 The employer and employee(s) may agree to any variation of this clause to meet the circumstances of the work in hand.

22.3 This Clause shall not apply to any employee whose scheduled work in any 24 hour period is four hours or less.

23. Annual Leave

23.1 An employee will be entitled to four (4) weeks annual leave after the completion of 12 months' employment with Pfizer.

23.2 Annual leave cannot be accumulated from one year to another and must be taken each year as near to the date due as convenient to both the employee and the employer. In any event, leave must be taken within six months of falling due.

23.3 Annual leave shall be taken at a mutually convenient time unless there are exceptional circumstances justifying less notice given by Pfizer to process on Annual Leave. Generally notice will be four (4) weeks.

23.4 A 22% leave loading will be paid each November, regardless of when an employee's annual leave is taken.

24. Sick Leave

24.1 Sick leave is specifically for the purpose of providing income for employees unable to attend work through injury or illness. The employer can also approve leave under this clause for an employee to care for an immediate family member.

24.2. An employee shall take all reasonable steps prior to the commencement of such absence, to inform the employer of the employee's inability to attend for duty and shall state the nature of the injury/illness and the estimated duration of the absence; and
